Aquablitz®

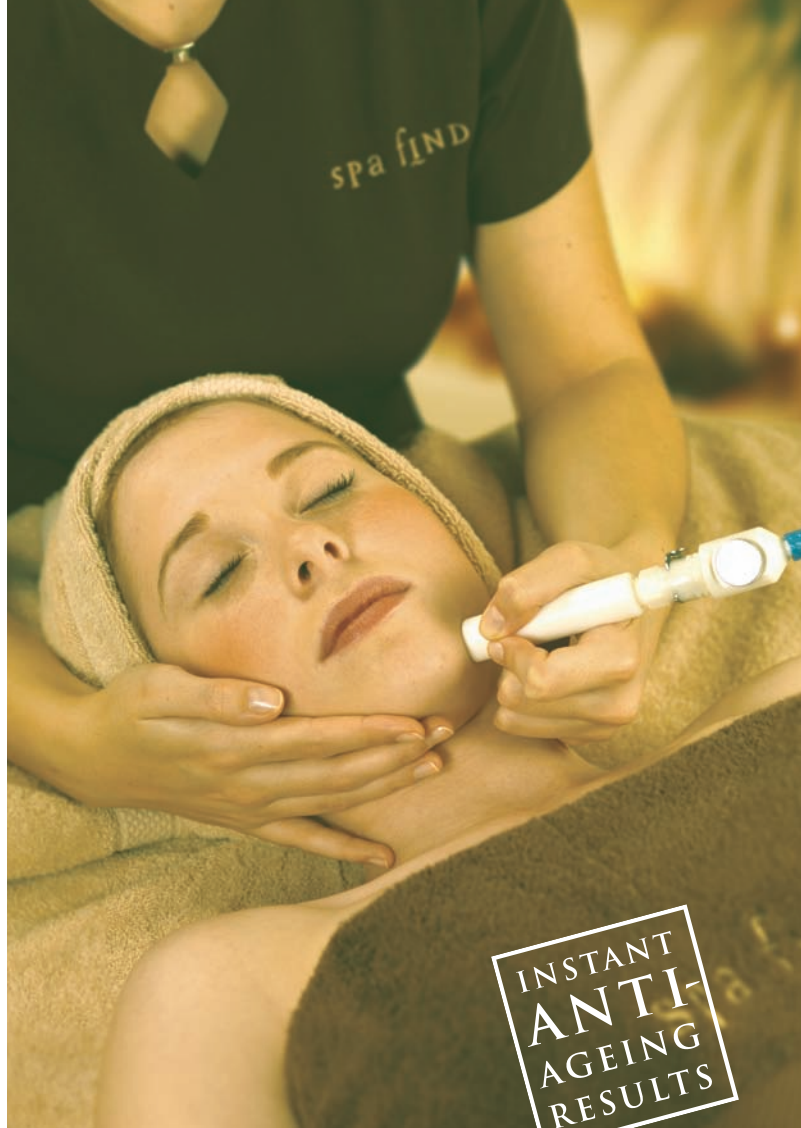

# Spa Facial Treatments

Blitz away sallow skin using the power of nature

Aquablitz uses suction combined with the natural anti-ageing effects of pure seaweed and Dead Sea Mud, to improve the lymphatic and blood circulation, therefore allowing for the safe removal of toxins from the body. The unique properties of the Aquablitz also stimulate the collagen and elastin fibres within the skin helping to improve facial skin tone.

## Aquablitz Anti-Ageing Spa Facial

### What is it?

Aquablitz Anti-Ageing Facial Spa Treatment incorporates gentle dermal massage using a vacuum suction to achieve a deeper, more desired massage than manual lymph drainage. It is anti-ageing, toning and improves the general health of the skin tissues.

### What are the effects and benefits?

- The treatment is designed to help eliminate underlying toxins and fluids that lead to poor circulation.
- To treat skin conditions such as poor circulation and sallow skin.
- The treatment has the ability to improve the tone and texture of the skin by increasing oxygen levels deep in the dermis.
- It stimulates blood and lymph which helps to activate our fibroblasts in the skin to produce new collagen and elastin for plumpness.
- To plump out and improve wrinkles.
- Can be used by all skin types to leave the skin with immediate radiance and improved texture.

### How many treatments are required?

Immediate visible results after one treatment. For best results a course of 3-4 treatments is recommended.

**1 hour 15 mins treatment – from £50**

# Aquablitz Deep Cleansing Spa Facial

## What is it?

Aquablitz Deep Cleansing Spa Facial Treatment incorporates gentle dermal massage using a vacuum suction to loosen blocked pores and comedones, re-hydrate and improve the condition and texture of the skin.

## What are the effects and benefits?

- Helps to speed up the removal of waste products via the lymphatic system.
- To treat skin conditions such as poor circulation and congestion.
- It loosens blockages and comedones, therefore cleansing the pores.
- The treatment produces vasodilation giving erythema and improving the skin's tone.
- It stimulates cell metabolism.
- The treatment aids desquamation therefore improving the texture of the skin.
- Can be used by all skin types to leave the skin with immediate radiance and improved texture.

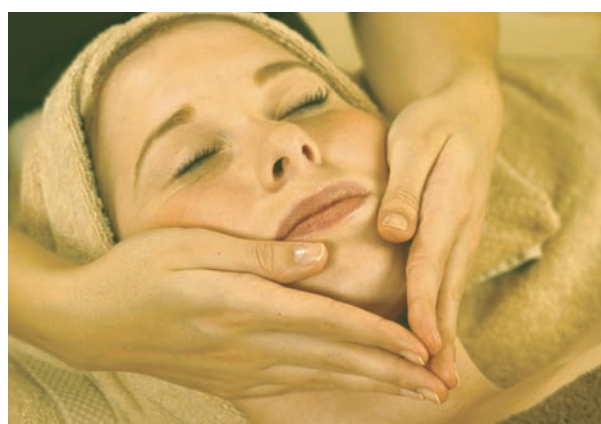

## How many treatments are required?

Immediate visible results after one treatment. For best results a course of 3-4 treatments is recommended.

**1 hour 15 mins treatment – from £50**

**Both treatments have undergone medical and clinical trials with proven results.**

## Mineral skin nutrition

For many of us it is increasingly difficult to keep our mineral and vitamin levels at the correct balance due to our stressful lifestyles. Did you know that almost every skin condition that we may suffer from is partly due to a mineral or vitamin imbalance within our body? By using Spa Find products the mineral levels within the body can once again begin to normalise and bring our inner health back into balance.

Aquablitz Anti-Ageing and Deep Cleansing Spa Facials are available at Kalmora Spas and selected stockists nationwide. For further information on Spa Find treatments and products, please contact Spa Find on +44 (0) 1580 211055 or visit [www.spafindskincare.com](http://www.spafindskincare.com)
