NEW Facial Extracts

Intensive treatments for the face to give the skin that extra special boost

Everyones skin varies at different times throughout the year. Spa Find... Facial Extracts range has been formulated for all skin types and is recommended to use when the skin needs that extra boost, helping to maintain a natural, flawless, healthy skin especially during times of stress, illness or any other changes of lifestyle such as diet and seasonal changes i.e. Winter, Spring.

Spa Find... Renewed Radiance Boosting Extracts – Intensive Anti-Ageing Treatment

This is a specially prepared gentle blend of concentrated Dead Sea minerals, Padina Pavonica an anti-ageing brown algae that stimulates proteins in the skin, and blends of natural Olive Oil, Vitamin C to repair ageing skin and Coconut Oil to nourish and protect. The formulation also contains anti-oxidants and deeply nourishing oils to replenish and rejuvenate the skin thus helping fight against further signs of ageing. Radiance will be brought to the skin and its natural defences will be strengthened.

Spa Find... Balanced Beauty Stabilizing Calmit Extract – For Normal & Combination Skin

This formulation has a non-oily texture that is remarkably effective to help control blemishes, imbalances and combination skin. It combines ingredients of Dead Sea minerals with Witch Hazel Distillate, an astringent that helps control oil production to balance and stabilise the skin's moisture levels, and Sorbital a skin condition and emulsifier. Calmit Extract will keep the pores clear and make the skin appear skin soft and supple, as well as helping to tighten the epidermis and bring stability to the skin.

Spa Find... Perfect Purity Dermabalance Dermal Extract – For Acne and Problem Skin

This antiseptic non-oily extract normalises the sebum production, which is often excessive with problem skin conditions. Dermal Extracts formulation of Dead Sea minerals, Amino Acid and Cinnamon Bark Extract will effectively restore the balance of oily and acne-prone skin and Glycerine Polysorbate will heal and repair. Dermal Extracts will soothe irritation and bring balance to the skin leaving the complexion clear, soft and healthy.

Directions for use: Choose the Spa Find Extract for your skin type and use in one of the three ways:

1. When the skin is in need of a boost i.e. during the summer months when the skin becomes oilier, or winter months when the skin is drier, use morning and evening under a moisturiser.
2. At certain times of the month when the progesterone or oestrogen levels are high, apply morning and night under a moisturiser.
3. To help slow down the ageing process, use in the evening under a moisturiser to help re-hydrate and moisturise the skin.
