With Spa Find Heavenly Hydration Hand Care Cream and Foot Care Cream

Our feet and hands are essential parts of our body but unfortunately they are not always given the attention they need.

Our hands are constantly on show, using them to express ourselves while talking but we often want to hide them as they can be rough, hard, red and chapped and it is not until our feet become painful, sore or start to perspire excessively that we become aware just how important our feet are.

By using Spa Find Heavenly Hydration Hand Care Cream and Foot Care Cream your hands will be silky smooth, your feet will be revitalised and soft, and you will be confident to show them off.

Spa Find Heavenly Hydration Hand Care Cream is a rich non-greasy cream that blends natural Dead Sea Minerals with precious plant extracts Aloe Vera, Grapefruit, Mango, Peach, Camellia, Ginger, Chamomile, Jasmine, Rose and Coconut to immediately soothe and nourish, leaving you with deeply hydrated young looking hands and nails.

#### Mineral skin nutrition

For many of us it is increasingly difficult to keep our mineral and vitamin levels at the correct balance due to our stressful lifestyles. Did you know that almost every skin condition that we may suffer from is partly due to a mineral or vitamin imbalance within our body? By using Spa Find products the mineral levels within the body can once again begin to normalise and bring our inner health back into balance.
