## Get a summer glow all year round with Spa Find Sea Sand Scrub for the face & neck

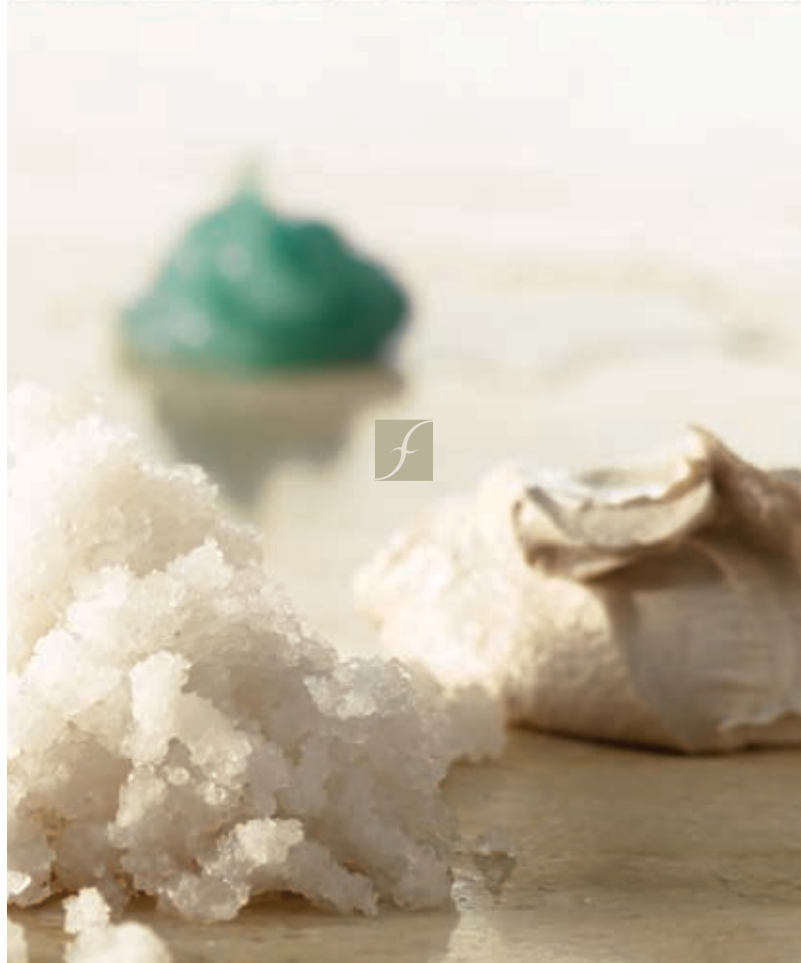

Spa Find 'The Earths Natural Exfoliators' Sea Sand Scrub for a flawless facial complexion that will give that Summer Glow all year round.

If dead skin cells are left to build up, it not only affects the appearance of the skin but can also stop natural cell renewal therefore causing the complexion to look sallow and unhealthy.

Spa Find Sea Sand Scrub mild exfoliating treatment will naturally polish away surface dead skin cells revealing a truly youthful, fresh and radiant complexion. Spa Find Sea Sand Scrub's gentle blend of Sea Sand, Dead Sea Minerals and Kaolin is perfect for even the most delicate skins.

#### Mineral skin nutrition

For many of us it is increasingly difficult to keep our mineral and vitamin levels at the correct balance due to our stressful lifestyles.
