# Perfect Purity Dermablance Spot Treatment

“A miracle product”  
Don't let a big, red blemish  
ruin your night out.

Zap that angry spot over night with Spa Find Perfect Purity Dermablance Spot Treatment – just apply in the evening before you go to bed and by morning your blemish will have miraculously disappeared!

Dermablance Spot Treatment is the emergency solution that not only zaps spots, but blackheads and milia (whiteheads) too. Decongests and frees clogged pores of all impurities and prevents spots from forming.

Dermablance Spot Treatment is a formulation of Dead Sea Minerals, combined with Menthol Oil and Camphor that disperses the bacteria back into the lymph system to cleanse the impurities from the body. Sulphur's powerful astringent properties help to clear the pores while Aloe Vera and Chamomile heal and soothe the skin.
